

The Stager

COST: \$750 (per room/ minimum of two rooms)

If you are ready for a new look with no re-model fuss, then our staging package is the one for you. This design package allows our Design team to come to your home and give you a beautiful design that you are going to love coming home to every day. We run your project from beginning to end with results you will love. We are here for you to ensure that your project goes off without a hitch from the design process, to hiring your service professionals, to the completion of your project.

- The stager cost is priced per room; you can pick an unlimited amount of rooms with a minimum of 2 rooms.
- The Client covers all cost for materials and decor items to be placed in the home. Those items are determined based on the client's budget.

This package includes the following services:

- 1 in person consultation session
- A Personal Shopper
 - A Myrekel's Designer would personally go shop and handpick all of your decor pieces for your space.
- Home Staging
 - Your designer will come to your home and set everything up for you and turn your home into a masterpiece that you will enjoy coming home to daily.

Digital Designer

Digital Designs

Cost: \$2,500

This fee covers the designing of your new look.

Having a hard time envisioning what your design could be like with a whole new look? Then, this is the package for you.

Having digital designs will give you a 3D walk through of your newly renovated space.

* Please keep in mind that these are not architectural drawings with exact dimensions, but are simply 3D designs that will give you an estimated, overall look of your new space.

Interior Consultant - Five percent of your overall budget.

If you are looking for someone to come along side you and help guide your design then this package is right for you. This package will give you the confidence you need to create a beautiful design for your project.

Having your design consultant beside you all along the way will help give you the confidence you need to achieve the look you want.

PRICING: Five percent of your overall budget.

* The Five percent is the fee of your personal designer only. Your materials, labor and all decor comes from your budget.

For example: 25,000.00 Client Budget equals a designer consultant fee of 1,250.00.

*Should your budget run over your original amount then your fee will be assessed and the difference will be charged at the end of your project.

This package includes the following:

- Initial Consultation
- Meeting with Contractors
- Monitoring. * With this package you will have access to our lead designer who will help you by giving you direction on making the most of your space. This will be available step by step throughout your process.
- Guidance in selecting finishes. * With this package you will have access to our lead designer who will help guide you as to what finishes will give you the look you are desiring to achieve.

Designers Choice - 10 percent of your overall budget

If you are looking for someone to come along side you and help guide your design then this package is right for you. This package will give you the designer you need to take your design and run with it across the finish line for you.

Having your own personal designer will help give you the design you have been waiting for.

PRICING: Ten percent of your overall budget.

* The Ten percent is the fee of your personal designer only. Your materials, labor and all decor comes from your budget.

For example: \$25,000.00 Client Budget... Designer fee \$2,500.00.

*Should your budget run over your original amount then your fee will be assessed and the difference will be charged at the end of your project.

This package includes the following:

- Initial Consultation
- Meeting with contractors
- Guiding contractors
- Selecting your finishes alongside you
- Monitoring and guiding your design to the finish line
- Selecting all of your decor
- Staging your design
